ACCESS TO CULINARY WATER

- All property owners desiring to access the Midway City culinary water system whose party meets the requirements for annexation must annex into Midway in order to receive culinary service.
- In the event that a property owner applies for access to the Midway City culinary water system and their property does not meet the requirements for annexation, Midway City may in that event, consider the application for culinary water on a property-by-property basis, and approve such applications at its sole discretion and impose any conditions found reasonable and necessary to protect and maintain the Midway City culinary water system
- Midway City shall have no obligation to provide culinary service outside of its municipal boundaries.

DISCUSSION ITEMS

- Density
 - Initially 1 lot
 - Maximum 4 lots
- Dance pays for all infrastructure
- Pay 1.5 times the normal rate
- Establish an out-of-pocket of \$7,000
- Culinary and secondary water rights dedicated to Midway

PLANNING COMMISSION RECOMMENDATION:

Motion: Commissioner Ream: I make a motion that we recommend denial of the annexation of the Cascade View subdivision which would contain four lots on 6.89 acres. The property is in the Midway Growth Boundary and located near Cascade Springs Road and Stringtown Road. The proposed zoning for the property is RA-1-43 (rural-agricultural 1 acre). We recommend a will serve letter from the city with the conditions the number of lots moved up to 4 and if there are ever two points of access than the applicant can reapply for annexation.

Seconded: Commissioner Cliften

Chairman Bouwhuis: Any discussion on the motion?

Chairman Bouwhuis: All in favor.

Ayes: Commissioners: Bouwhuis, Wardle, Garland, Ream, Cliften and Simons

Nays: None

Abstained:

Motion: Passed

POSSIBLE FINDINGS

- The City will gain control over land use and zoning if the area is annexed.
- The proposal is a legislative action.
- The proposal will increase density and traffic to the area.
- The density of the project is relatively low at four dwellings on almost seven acres. This will help promote the vision of the general plan to preserve more open area and a rural atmosphere.

PROPOSED CONDITIONS

- Limit density to 4 lots
- Dance pays for all infrastructure
- Pay 1.5 times the normal rate
- Establish an out-of-pocket of \$7,000
- Culinary and secondary water rights dedicated to Midway
