Exhibit A

2.02.080 Time Limits on City Council Meetings

City Council meetings shall go no later than 10:00 p.m. unless a majority of the City Council vote to continue the meeting beyond this time limit. The vote to continue beyond the time limit shall be made on specific agenda items, and will require a new motion for each agenda item considered after 10:00 p.m. In limiting the time allotted in City Council meetings, the City will, where possible, arrange the agenda to have all items that involve a public hearing to be put on the first part of the agenda. For items that do not involve public comment, applicants are put on notice that including an item on a City Council agenda does not guarantee that it will be heard in that meeting. If the time limit of 10:00 p.m. is exceeded, remaining items on the agenda will be continued to the next meeting.
