RE: Item 9: Public Rights-of-Way/Restricting Parking

DT: October 7, 2025

With parking congestion in Midway increasing, the City is noticing an increasing number of private “no parking” signs and cones/barriers being placed in or near the road right-of way.

A discussion of the issue and potential response(s) to private action with respect the city right-of-way would be helpful. Staff will prepare a power point presentation to aid discussion.
