QUESTIONS:

1. What are the most significant issues facing Midway City and how do you propose to resolve them?

Water – Consult with experts like Steve Farrell and Mike Kohler about how to best manage our shortages.

Development – Curb as much as we can. Require developers, as in other cities, to pay for infrastructure, water, etc. Set building moratoriums, as needed.

Require Open Space in new developments – Save some green!! Montana had beautiful, abundant parks in Billings where we served. That added much to the beauty, charm, and feel of the City.

2. What is your vision for Midway City over the next 20 years?

Preserve the flavor and heritage of our small community as much as possible.

Limit developments and as much building as possible, especially of the few large pieces of property that remain.

Stimulate growth of small, tax-gathering businesses to help w the economy.

Get reimbursements from the Olympics for infrastructure, et. al expenses.

Preserve Animal Rights to keep the rural flavor of Midway.

3. What has the City done right and what needs improvement?

Midway City has done well with trails improvement.

Developers are out of hand; swallowing up open space. Midway needs to stand more firmly against them.

Supported Open Space Bonds; worked to save some green.

4. Have you ever run for elected office or been on a board/commission? If so, please describe. If not, please explain why you see now as the right time to get involved.

I served on the Parks & Trails Committee for a full term, which gave me a feel as a committee member and as a citizen. I think citizens willing to donate land for Open Space should be treated openly and fairly. I have no ulterior motives for serving and feel that this should be an important requirement for in this significant position for Midway. I have attended countless City Council meetings over the past many years.

Our family has been lifelong residents of Midway and I cherish our wonderful town. We are presently living in the home where I grew up. I served as a junior member of the Midway Boosters as a teen, when they had such a position.

I feel the time is right now as we just returned from serving an 18-month mission in Montana, and I would now be able to take the time to serve. The two-year term is appealing to have a feel for the City Council, which I have considered in the past. I have had broad experience in life, which would be beneficial in this position. I worked for the Federal Government in Washington D.C., for 4 years, and as an Office Manager at BYU for 19 years. I have sung and been a firm supporter of the Swiss Days Chorus, in which my sister and I sang under the baton of Uncle Clarence Probst, accompanied by June Tatton and one year, Dixie Probst. Kerry & I continue to sing and support this wonderful heritage Choir today.

I am interested in this position to defend Midway from outside influences, and those who know me know of my ideals and goals, which many new and old residents share. I count most on this Council as good friends, and I think I could work well with each of them. I would like to have an open ear to citizen's comments and concerns.
