Feb 17 6 pm	Midway City Council Meeting

Please visit our website for  
agenda and meeting information

Welcome to the new Midway City newsletter! We're excited to keep you in the loop on all things Midway—news, events, and everything in between

### Welcome Mayor Simons

Mayor Craig Simons was officially sworn in as Midway City's new Mayor on January 5, 2026. Mayor Simons brings with him a strong understanding of our community, having previously served as a member of the Midway City Council. Also sworn in that day were newly elected City Council Member, Andy Garland and returning City Council Member, JC Simonsen. Their combined experience, dedication, and commitment to public service will be an asset as Midway moves forward.

# Safer Steps on Main Street

Great news, Midway! The new pedestrian crosswalk at Main Street and 100 West is now in place — an improvement many residents have been asking for. When the flashing lights are activated, drivers must slow down and stop for pedestrians. Please stay alert, watch for the signals, and help us make this busy area safer for everyone. We're excited to see this safety upgrade completed and appreciate the community's help in looking out for one another.

## Pardon Our Progress-

### Burgi Lane

An ongoing City project is underway on Burgi Lane to install new water lines that will help improve service reliability and support future infrastructure needs.

### River Road and Main St. Traffic Signal

You will soon see construction begin for the installation of a new traffic signal at the intersection of River Road and Main Street. This project is a joint effort between UDOT and Midway City and is intended to improve safety and traffic flow at this busy intersection. Updates regarding construction schedules, lane restrictions, and any street closures will be shared on the City website and sent through the My Midway City app, so residents can stay informed as work progresses.

## Stay Informed with My Midway City

Did you know Midway City has a free app to help you stay in the know? The My Midway City app is available for both iPhone and Android devices and puts city news, events, meetings, and updates right at your fingertips.

Simply download the app, create an account, and customize your notification preferences so you only receive what matters most to you. From road projects to community events, you'll always be informed—no more saying, "I didn't know!"

Download  **Midway City UT**

Download the **Midway City UT** app from the [IOS App Store](#) or [Android Play Store](#) and **enable Notifications.**

## Behind the Scenes at Midway City

### Meet Shane Owens Public Works Department

Shane has been a member of the Midway City team since 1997, serving in our Public Works Department and helping keep the city running smoothly behind the scenes. When he's off the clock, you'll likely find him capturing beautiful landscape photography, riding horses, or visiting state and national parks.

### Meet Jennifer Sweat City Treasurer

Jennifer was recently reappointed as the City Treasurer and has been a valued member of the Midway City team for 14 years. When she's not at work, she loves spending time in Hawaii, creating diamond art, and Elvis Presley.

### Meet Brad Wilson City Recorder

Brad Wilson has been part of our Midway City team for 24 years and serves as our City Recorder, keeping track of the important documents that help everything run smoothly. A lifelong Midway resident, Brad knows the community inside and out. Fun fact — he's a big fan of chocolate in just about any form!

## Wasatch TAP

TRAILS • ARTS • PARKS

Your TAP Tax Dollars at Work

TAP Applications are now being accepted. We encourage eligible residents and organizations to apply. The submission deadline is March 2 at 5:00 p.m., so be sure to plan ahead and submit your materials on time. Visit the City website for full details, eligibility information, and application instructions.

C.A.R.E.S.

**Midway City is proud to introduce  
our new city vision:  
Midway C.A.R.E.S.**

Recently shared with staff by Mayor Craig Simons, this vision highlights the values that guide how we serve our community each day. City employees have been encouraged to embrace these principles as we continue working to provide high-quality service to residents. As part of this rollout, you'll begin seeing our new City logo displayed around town — a symbol of our shared commitment to caring for Midway and the people who call it home.
