**3. Agenda Items**

**a. Historic Markers Update**

- The three historic markers at the intersection of River Rd. and Main St. were removed by Public Works due to construction of the new stop light.
- Public Works indicated the marker posts are cemented in and may not be salvageable; replacement posts will be ordered as needed.
- Marker plates have been picked up and will be prepared for the next production batch; medallion status being confirmed with the manufacturer.
- The plaque for Sherry Pullman's art gallery will be re-made to correct typographical errors; expected timeline is approximately 2–4 weeks.

## b. Walking Tour Brochure Update

- Camie shared a preliminary design concept as a reference for brochure development.
- Reviewed the list of historic sites, focusing on those that are easily walkable within the central/Main Street area.
- Discussed brochure layout, size, and content, including a QR code, committee logo, and brief reference to the oral history project.
- Mike to provide line drawings of historic buildings to the selected designer.
- Previous outreach for local designers yielded limited response; additional outreach will continue.

## c. Oral History Update

- Athina conducted a pre-interview with Peg Sabey, noting strong potential for a full interview.
- Additional interviews are in progress or being scheduled, including with Barbara Thacker and David Epperson.
- Discussion focused on prioritizing interviews with older residents with significant historical knowledge.
- Clara from the *Wasatch Wave* is preparing an article and may use selected oral history content.

## d. Miscellaneous

- **Open Space Open House on April 11** – Discussion of potential committee participation
- **Swiss Days Parade on August 29<sup>th</sup>** – Discussion of potential committee participation

## 4. Adjournment: 6:18 PM
