All Commercial businesses shall be operated in compliance with the Midway City Zoning Ordinance and any conditions set forth. Upon approval of a commercial business, a license shall be obtained from the City and the license may be revoked or refused upon failure of the owner and/or operator to maintain the business in accordance with the standards and zoning requirements set forth at the time of approval. **All licenses expire December 31st of each year**, renewal fees should be paid by December 31, unpaid fees as of January 1 are subject to a 50% late fee per month. If fees are unpaid after March 1, businesses will be considered out of business and must reapply.

It is also the responsibility of the owner of the license to notify the City Office if they change their mailing address or close their business. If the business is moving to a new location, the current business license will not be transferred. The business must apply for a new business license at the new location and all inspections must be completed. All previous signage must be re-approved for the new location before any signage can be erected.

I have read the attached zoning information and certify that I am in compliance with the ordinance in operating a Commercial Business.
