

CITY COUNCIL MEETING STAFF REPORT

DATE OF MEETING: September 1, 2026

NAME OF PROJECT: Wright Subdivision

NAME OF APPLICANT: Mike Johnston

PROPERTY OWNER: Dream Catcher Acres, LLC

AGENDA ITEM: Plat Amendment of Lot 3

LOCATION: 143 West 970 South

ZONING DESIGNATION: R-1-22 zone

ITEM: 11

Mike Johnston of Atwell LLC, on behalf of Wasatch Valley Trust and Dream Catcher Acres LLC, is requesting Plat Amendments of Wright Subdivision Lot 3 and Haven Farms Rural Preservation Subdivision Lot 12. The properties are located at 143 West 970 South and 138 West 1160 South and are in the R-1-22 and RA-1-43 respectively.

BACKGROUND:

Mike Johnston, Wasatch Valley Trust, is proposing a plat amendment to the Wright Subdivision Lot 3 and Haven Farms Rural Preservation Subdivision Lot 12. The applicant is proposing to vacate five acres from the Wright Subdivision and add the property to Haven Farms. Lot 3 of the Wright Subdivision would be reduced from 6 acres to 0.825 acres. Lot 12 of Haven Farms Rural Preservation subdivision would increase from 10.16 acres to 15.335 acres.

In his application, the applicant states: “The property owner of Lot 3 Wright Subdivision has submitted an application to Midway City to separate (vacate) the pasture portion of the lot and add that pasture land to the adjoining Lot 12 of Haven Farms on the south. No new building rights are created. Lot 3 will get smaller, and Lot 12 will get larger. The land will remain as pasture.”

Lot 12 of Haven Farms is part of a rural preservation subdivision. A requirement of this type of subdivision is that each lot is deed restricted from being subdivided. A deed restriction has been recorded to this effect and will remain in place with the expansion of the lot. It is staffs understanding that the entirety of the expanded lot (15.335 acres) will be encumbered with the restrictions of the deed restriction.

A plat amendment is a legislative item, and the City Council is not obligated to allow any changes even if they feel that the applicant met the requirements of the Code.

ANALYSIS:

For the Land Use Authority to approve a plat amendment, Utah State Code dictates that the Land Use Authority considers the petition in a public meeting. State Code allows for the lot adjustments between plats and states that they shall be approved if there is not a land use violation.

A plat amendment and plat vacation are legislative items, and the City Council is not obligated to allow any changes even if they feel that the applicant complies the requirements of the Code. Subsection 10-9a-103states:

"Lot line adjustment" means a relocation of a lot line boundary between adjoining lots or between a lot and adjoining parcels in accordance with Section 10-9a-608: (i) whether or not the lots are located in the same subdivision; and (ii) with the consent of the owners of record.

Subsection 10-9a-608(5)(b) states:

The land use authority shall approve a lot line adjustment under Subsection (5)(a) if the exchange of title will not result in a violation of any land use ordinance.

No public street, right-of-way, easement will be vacated or altered. A public utility easement that runs along the shared lot line of Haven Farms lot 12 and Wright subdivision lot 3 will be relocated to the new boundary between the lots.

PROPOSED FINDINGS:

- The proposed plat amendment, which rearranges land between Wright Subdivision Lot 3 and Haven Farms Rural Preservation Subdivision Lot 12, complies with Utah State Code requirements for lot line adjustments between recorded plats.
- The 5.0 acres being transferred will be subject to existing, recorded deed restrictions, ensuring the expanded 15.335-acre lot remains under strict preservation, with no new building rights created.
- No public street, right-of-way, or easement will be vacated or altered

ALTERNATIVE ACTIONS:

1. Approval (conditional). This action can be taken if the City Council finds there is good cause to approve the proposal.
 - a. Accept staff report
 - b. Reasons for approval (findings)
 - c. Place condition(s) if needed
2. Continuance. This action can be taken if the City Council finds that there are unresolved issues.
 - a. Accept staff report
 - b. List accepted findings
 - c. Reasons for continuance
 - i. Unresolved issues that must be addressed
 - d. Date when the item will be heard again
3. Denial. This action can be taken if the City Council finds that the request does not meet the intent of the ordinance.
 - a. Accept staff report
 - b. List accepted findings
 - c. Reasons for denial
