Metered Parking (Salt Lake)

- Time Limits: There is a 2-hour maximum limit until 6:00 p.m., which extends to a 4-hour maximum limit between 6:00 p.m. and 10:00 p.m.
- Payment Options: Kiosks accept coins, major credit cards, Apple Pay, and Google Pay. You will need your license plate number and the specific parking space number indicated on the curb.
- Holiday Schedule: On-street meters are not enforced on official city holidays.

An aerial photograph of a residential complex. The complex features several buildings with light-colored roofs, a central courtyard with a green lawn, and a red-roofed tennis court. A large yellow oval highlights a parking lot at the top of the complex. A smaller yellow oval highlights a parking area near the tennis court. A blue oval highlights a parking lot at the bottom of the complex. A text box with a yellow border and a grey background is overlaid on the image, containing the text "Potential Metered Parking".
